

Established Breast and General Surgeon Joins Premier Surgical Network

Egg Harbor, Jan 2, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Established Breast and General Surgeon Joins Premier Surgical Network

The Premier Surgical Network is pleased to welcome Dr. Desiree D'Angelo-Donovan to their New Jersey based practice. The Premier Surgical Network offers comprehensive breast care and general surgery procedures by their team of highly skilled surgeons. Dr. D'Angelo will be practicing out of their Egg Harbor Township and Cape May office locations, providing exceptional care to her patients near and far.

Offering in-office genetic testing, ultrasound-guided breast biopsies, and cyst aspiration, Dr. D'Angelo is happy to discuss surgical alternatives prior to any surgery, making sure patients are aware of all their options. Dr. D'Angelo provides the information needed so each patient can make a fully informed decision regarding their plan of care. In addition to her strong focus in benign and malignant breast disorders, Dr. D'Angelo also specializes in hernia repair, skin and soft tissue, and gastrointestinal surgeries.

Dr. Desiree D'Angelo is a board-certified general surgeon who attended medical school at The Philadelphia College of Osteopathic Medicine and completed her general surgical training at Christiana Care Health System in Delaware. She is a Fellow of the American College of Surgeons (FACS) and a member of the American Society of Breast Surgeons (ASBS). Dr. D'Angelo has been in practice in southern New Jersey for five years and has obtained special certifications from The American Society of Breast Surgeons in ultrasound and stereotactic breast biopsies.

"Being a general surgeon is truly rewarding," says Dr. D'Angelo, "I am looking forward to growing my practice and serving patients within our community. I take a lot of pride in working with my patients to make sure they understand their surgical options and making sure they have the best outcomes."
