

Evervue's Mirrorvue, A Vanishing Mirror TV

Make a long lasting impression and distinct ambiance in your place with Mirrorvue Mirror TV.

Newport Beach, Jan 21, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Evervue USA Inc., a leading manufacturer of mirror TVs and smart mirrors since 2001 introduces its best-selling product called Mirrorvue Mirror TV.

Mirrorvue is a smart vanishing mirror television which completely turns into a mirror when the tv is turned off. It comes in different sizes, tv screen sizes, mirror glass types, frames, mounting options and a lot more.

Armed with the latest technology, Mirrorvue is equipped with a smart touch feature, extra brightness LED panels for optimal performance and 4k picture resolution on sizes 32 inches and higher. It is also built with an extra thin 1.3" TV housing and is safely powered with 12-24 volts.

Users can get updates on their Mirrorvue by downloading [Mirror Feeds](#), a free application that shows time, weather, stocks and news on smart mirrors and mirror tvs. All Information in the mirror refreshes every hour and news feed scrolls on its own. It also allows customization of the feed by choosing a layout.

Mirrorvue is available in four types of glass mirrors such as Silver Mirror, Advertising Mirror, Tinted Mirror and Black Mirror which fits on every lighting of the space. It can also be mounted in three ways through Standard, Magnet, or Recessed Wall Mount.

Mirrorvue Mirror TV offers more than 80 styles of sophisticated designer frames that suite whether in hotels, offers, bathroom, gyms, salons, spas, restaurants and more.
