

Faith N' Stuff Places Crocheted Liahona on Kickstarter

3D Crocheted Liahona Pattern and Kit Launched on Kickstarter

Las Vegas, Jan 22, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Faith N' Stuff is excited to announce the launch of their first product on Kickstarter. Our designers created the Liahona pattern so our customers could share their faith with families and friends. As you create the Liahona you will be able to leave a personal message to your loved one. We hope as they look at your gift, they will remember to always choose the right.

We created the Liahona pattern as a reminder to always choose the right. Each Liahona can be customized with a personal message to your loved one. Come support our Kickstarter campaign at https://www.kickstarter.com/projects/liahona/3d-crocheted-liahona?ref=user_menu

History of the Liahona:

The Liahona was a gift given by the Lord to the prophet Lehi and his family to guide them to the promised land. The Liahona was a ball made of brass and gold. It was also known as the director as it had two spindles that pointed them in the way they needed to go. The Liahona only worked when Lehi

and his family were faithful to the commandments of God. From time to time, the Lord would write directions for Lehi on the Liahona. For more information about the Liahona by visiting www.lds.org

Why Would You Want to Crochet a Liahona?

The Liahona you will create will make a perfect gift to give to a child for their baptism, priesthood ordination, patriarchal blessing, or their missionary farewell. It is a simple way for you to remind them to always trust in the Lord. It hopefully will also remind them to heed the promptings of the Holy Ghost. It is also a way for you to leave a lasting testimony of the Gospel of Jesus Christ.
