Bridgnorth, Jan 2, 2019 (Issuewire.com) - Fixclub.uk, is a UK based investment company based in Brighton has launched an investment company for all the fresh investors as well for the pros who are trading cryptocurrencies. As cryptocurrencies are becoming mainstream, more consumers are looking to invest in it day by day.

Unfortunately, there are very few people who understand cryptocurrencies to its core, as according to a survey by ING launched in August, two in three individuals in Europe are interested in trading in Cryptocurrencies although 9% are owing it.

Fixclub.UK is the solution for most of the people where you can great ROI on your investment with minimum or no knowledge. In fixclub.UK we guarantee **2% daily return for 100 days on your principal amount**. Where we have an award-winning system which enables our investors to make a consistent profit from bitcoin market.

The best part to invest with Fixclub.UK is that anyone can invest here from all the pros to beginners from every part of the world as we give 24/7 customer care services by phone call, live chat, mail services & toll-free number.

We let our work speak for us as we are awarded as “ [THE BEST BINARY AFFILIATE PROGRAM](#)”, “THE BEST REFERRAL PROGRAM”, “ THE BEST CUSTOMER SUPPORT SERVICE” and many

more.

Things that make us stand out from other investment companies are

1. Our experienced specialist team
2. Our transparency
3. Great Return on Investment
4. 30 Days money back guarantee.
