

## Friendship Lamps Australia – Keeping You Close with Your Loved Ones

Long distance touch lamps - helping you feel closer

**New South Wales, Jan 30, 2019 ([Issuewire.com](http://Issuewire.com))** - Distance relationships have always called for extra care and attention. However, in this busy schedule, people hardly get any time to express their thoughts and emotions towards the dear ones. And that's why Friendship Lamps Australia has taken a good initiative to give your relationship a new touch of affection. This company with the help of world-class experts has brought you a wonderful invention that's known as 'Friendship Lamp'. It lets you showcase your care towards your beloved person who stays far away from you.

This unique invention '[Friendship Lamp](#)' has proven the saying that - distance doesn't matter if your heart really beats for your dear one. It, therefore, allows you to connect with your friends and family from overseas. Love is a tender touch of emotion and feelings that can keep you alive for a longer period of time. And keeping this concept in mind, Friendship Lamps Australia has made their new creation touch-sensitive. This user-friendly technology takes just a second to assure your beloved person that you are missing him/her.

After you buy this lamp from Friendship Lamps Australia, you have to plug it in the USB cable or else you can connect it to the Wi-Fi network available in your area. Then, all you need to do is to connect the lamp to the group ID that is set up by you or your friend or any of the family members. A tender touch is

all that it takes for the lamp to change the colour. You have the option to pair the same colour as another lamp that you are going to gift your beloved person.

Well, Valentine's Day is knocking the door and Friendship Lamps Australia thinks this lamp to be the most beautiful gift that you should send to the valentine of your life. It's a big opportunity for you to showcase how much you miss that person even if you are busy enough with your daily schedule. It lets you build a new memory and keeps the relationship warm as well.

Once you order the lamp from Friendship Lamps Australia, there is a detailed guideline and instruction handout provided with the product. Here you can learn how to set up the group ID and change the colour of the lamp. The professionals at Friendship Lamps Australia are quite confident about their creation and they have already gathered good response from the consumers. Even if you are not satisfied with the services, you can go for 30-Day money back guarantee. Also, if you find that your lamp has stopped functioning, then you can avail 12-month warranty.
