

Give the Gift of Jade During JOJO's Special Christmas Sale

Shanghai, Jan 31, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Jack Ren, sales manager at JOJO, announced that the fine [jade jewelry](#) company is offering special savings on its selections, just in time for Christmas gift giving.

“JOJO's is offering a special promotion for the Christmas holiday and the latest on thousands of new jade jewelry on our website,” said Ren. “JOJO is one of the largest jade jewelry manufacturers in China.”

The jewelry company provides a discerning clientele with the luxury [jade bracelet](#) and kind jadeite jade jewelry they demand. Jade isn't just the dark green portrayed in films. The gem is also available in shades of lavender, red tones, yellow, white and black. Jade is a superstar in the realm of gems, prized for its healing properties and ability to attract love and luck.

Of special interest are JOJO's [jade bangle](#) in multiple colors and shades to complement any outfit or event. Each has its own unique character and the jeweler's scattered flower jade selections add contrast and an air of mystery. JOJO also offers rare Noble Ice jade.

For those that prefer a stylish ring for ornamenting the hand, JOJO offers a diverse range of [jade rings](#). Individuals can select solid jade rings, along with the precious gems in exquisite settings of gold and silver. Multiple gem cuts and ring styles are available to please every preference.

[Jade necklaces](#) add style and elegance and JOJO has a unique necklace for any event or occasion. Individuals can select from among necklaces of jade beads and highly stylized forms that give the appearance of leaves. A full range of colors is available to satisfy any desire.

Engraved [Hetian jade](#) is offered, many of which feature detailed carvings of unicorns, dragons, birds, and fish, flowers, zodiac symbols, and those with religious symbolism. Hetian jade pendants are also available that are ready for consumers' own customization.

The special Christmas sale being conducted by JOJO provides individuals with significant savings on the jeweler's highly prized jadeite jade that's sought by stylish clients around the world. The jeweler offers private customization services. Jade is often called "the stone of life," making it an ideal gift of heirloom quality.
