

## Let the Intensity of SackBoyStro Capture Your Mind with his Latest Video 'Noise'

'Noise' can be described as the best hip-hop video created by the talented SackBoyStro. The ambience of the video suits the vocals of the artist to excellence.

**Chicago, Dec 31, 1969** ([IssueWire.com](http://www.IssueWire.com)) - There isn't anyone in the music industry that is unfamiliar with the artist **SackBoyStro**. He had been rapping for the last five years and has finally launched his amazing music video '**Noise**'. The artistic talent shown by **SackBoyStro** in this music clip can't be compared to any other musician in the industry. His newest music video '[Noise](#)' is based on real-life experiences that a person often faces throughout his lifetime. When stepping into the music business he made sure to pass on the message to other musicians that he should be watched out for. Using his label **Sackgang / ride or die LLC** he experiments with his creativity and brings forward tracks

and videos for his audience, leaving them to spell bounded. He uses his music to express to the world his facts and truths about life.

The music video '**Noise**' is directed by Rickee Arts and it has been done to perfection. The video kicks start with a few individuals together partying around the house followed by a person lighting up, up the cigarette. As you move along the video postures by the artist makes you realise that he doesn't care about the world and will stick to his truth no matter the situation. The symbol of the gun used to show the violence this world is inflicted with. This is followed by a boy looking into his laptop which signifies that everyone is busy trying to create a name for them. Also, the fact that **SackBoyStro** is rapping with another artist shows the strength that unity brings with itself.

As the video is based on hip-hop genre '**Noise**' has a collaborative soundscape the displays **SackBoyStro**'s ability at its best. A thick beat is followed by an organic riff that lingers even after the music video is over. There is a contemporary style added to the rap style and the music is intertwined with the passion of the artist. There is a dream-like quality imbibed in '**Noise**'. It is the relatability of '**Noise**' that brings the audience closer to SackBoyStro. The sense of dedication that vibe of from this clip is unmatched. You can connect with the artist through his [Instagram](#) and [Twitter](#) account.
