

Life long Packer Fan Announces Immediate Offer to Coach Green Bay Packers

Long Branch, Jan 2, 2019 ([IssueWire.com](http://www.IssueWire.com)) - In a breakthrough announcement, Ray Kripaitis, host of Youtube show Slicing Jersey and The Biggest and Greatest Podcast Ever, LLC., has offered his full-time services, to immediately fulfil the head coaching job of the Green Bay Packers, and to relieve Joe Philbin, of his interim duties as head coach. Ray has been a Packer fan since he was 8 years old, starting in 1968.

"I have lived and breathed Packer Green for 50 years", says Ray K, and whose namesake, Hall of Famer Ray Nitchke was his sports idol, "It's shameful that we have only been to the Super Bowl one time since the Aaron Rodgers era, whom I consider in the top 2 greatest living QBs in the modern era. Being the most iconic football team in the NFL, and maybe all of sports, The Pack deserve better, and I think it's time to get back to the roots, of the blue-collar work ethic, and not these politically correct spoiled passed around coaches, and elect a knowledgeable sports fan to this important position. After witnessing coaching blunder after coaching blunder under Coach McCarthy, and then not sitting Aaron Rodgers in the last 2 games under Coach Philbin, since we were out of playoff contention, and seeing Arod getting a concussion in a meaningless last game vs. the Lions, risking his future and health, I have decided to throw my hat into the ring. I am convinced I can bring glory back to the Green Bay Packers. A full plan to implement this has been in the works for 2 years, and it starts with Arod. I am also willing to take a huge pay cut and I am available right now to interview for the job. I'm serious."

A lifetime New Jersey resident, Kripaitis is an avid sportsman and family man. He is ready to join the Packers immediately, to begin preparation and to bring glory back to Titledtown.
