

Local UK DJ to play at the Oscars 2019

DJG to play the Oscars Gifting lounge

Los Angeles, Jan 21, 2019 ([IssueWire.com](http://www.IssueWire.com)) - UK DJ, DJG has been chosen to DJ at the **Oscars Gifting lounge**. In February, the Oxfordshire based DJ will be playing in Hollywood for the third time after having great success at the Golden Globes in 2017 and The Oscars in 2018. 2019 is going to be a great year for the DJ.

He will be playing at **Debbie Durkin's ECOLUXE** pre-Oscars Gifting lounge for all the Hollywood A-List at the world-famous Beverley Hilton Hotel.

DJG is a former BBC Radio Oxford presenter who now teaches children with autism and special needs how to DJ. He has helped his Pride of Britain award-winning mother cook for the homeless at the Oxford Community Soup Kitchen for the last 28 years. You can always find DJG doing a live DJ set on social media using the hashtag #ItsAGodTing

He also works with his family to put on an event called "*Soulful House Hugs*" that he will be looking to expand in 2019. For the last 3 years, he has DJ'ed in Oxford town centre. The event is fuelled by uplifting soulful house music, great dancing, and free hugs. Darius, his Son, dances throughout the event and Yvonne, his wife, does the videography. His wife and son are instrumental for all of these things to be successful.

For more information, free music and videos from DJG, please check out his website:
