The dreamlike soothing ambience of the music video ‘Highway- journey music’ by Ajay Aman Rekhi will captivate your soul. You can find this hit video on YouTube.

Ontario, Jan 31, 2019 (Issuewire.com) - There can be many musicians in the industry but not many artists focus on real-life issues. But **Ajay Aman Rekhi** is one such artist who brings forward to his audience issues that other artists tend to ignore. The artist is also known as Ajay Rekhi to his family and friends and wants to give the world a taste of his music through his music video ‘[Highway- journey music](#)’. Being from Canada, he wanted to bring something to the audience that would represent the taste of the people there. The music video ‘**Highway- journey music**’ seems to be taken from multiple genes.

The music video ‘**Highway- journey music**’ starts off with the car heading toward the highway. The beautiful scenic landscapes used in the video get the audience hooked to the video. These images also show how fast life in the curies that no one is there to wait for you. The titled of the video is also subjective and the artist is to focusing on multiple themes simultaneously. The city images soon are substituted by desert scenery. And finally, the artist focuses on the main theme because of which he created ‘**Highway- journey music**’. **Ajay Aman Rekhi** advises against drink and drives which is the cause for most accidents. The music video ‘**Highway- journey music**’ is a little piece of soothing creation that will rejuvenate your mood no matter when you hear it.

There are details incorporated in this video that you can only come across go into the depth of the song. Lyricism by **Ajay Aman Rekhi** is kept to a minimum so that the audience can enjoy the essence of the music. Phrases like ‘Don’t drive high on drugs and drinks,’ ‘life expectancy is 0’, and ‘let’s not get high on the highway’ used in the clip shows that the artist is warning his fans against dangers that revolve around drunk driving. Apart from this **Ajay Aman Rekhi** is also known

for his other music videos like 'Kuch Wo Yaadein', 'I Wanna Go Home', 'Koi mujhse mera' and 'Can You Ever Forget Me' etc. He doesn't only compose music in English but sings Hindi and Arabic too. You can connect with him through YouTube.
