Investor Demand Generation Strategies**

- Improves Liquidity**
- Strengthens Market Valuation**
- Raise Capital**
- Create More Revenue**
- Increase Sales**

The Positive Stocks Consulting philosophy is that **investor awareness** is an ongoing project with quick results. We are relationship driven and results oriented. Our goal is to select the right clients and to

concentrate our resources and efforts to serve a limited number of high-quality clients.

?We provide weekly reports reflecting measurable results. Innovative and aggressive investor demand generation programs are designed to create awareness.

Most small-cap and micro-cap companies practice passive investor relations. They release news, develop websites and respond to inquiries from potential investors. **Positive Stocks** takes it to a new level with digital investor marketing and consumer marketing.

? improving the investor lead generation process – catering to the needs of the investor during their due diligence and evaluation process.

- **Investor Lead Generation**
- **Investor Data Aggregation**
- **Investor Lead Nurturing**
- **Investor Lead Scoring**

We are selective in the companies that we choose to represent. Engaging with companies that have super compelling stories, strong growth potential, near-term profitability, and superior management.

Positive Stocks offers strategic investor relations services to its clients using a variety of marketing strategies designed to communicate their clients' company history and business plan to the appropriate institutional and retail investment professionals.

Positive Stocks Consulting group's philosophy is that "**investor relations is an ongoing project**". To that end, the company is relationship driven and results oriented. They strive to accomplish their goal of selecting the right clients for their services and concentrating their resources and efforts on only a limited number of high-quality clients. The **Positive Stocks Consulting** model employs a variety of conventional and non-conventional programs and tools to communicate your company's story and increase your exposure.

Investor Awareness-In our industry, we saw an unfulfilled need that clients were no longer seeing proper exposure while dealing with traditional agencies.

- **Social Media Visibility Programs**
- **Performance Based Marketing**
- **Investor Demand Generation**
- **Investor Lead Generation (lead nurturing, lead scoring)**
- **Revenue Marketing/SEO/SEM**
- **Online Reputation Management**
- **Product/Brand Launches**
