

Shiksha.com Announced a Tool IIM & Non IIM Call Predictor for CAT Takers

New Delhi, Jan 7, 2019 (Issuewire.com) - A part of Info Edge Limited and one of India's leading career and college selection website for students, Shiksha.com has launched one of the first ever IIM & Non-IIM Call Predictor on their portal Shiksha.com.

CAT 2018 results are expected to be out on 7th January 2019. There are about 1.5 lakh CAT takers, who will start filling application for the colleges based on their achieved score. The newly launched tool by Shiksha will help students to shortlist which colleges (IIM & Non-IIM) they may get based on the CAT score and can focus on the preparation for their qualitative round.

Shiksha's IIM & Non IIM Call Predictor asks a user to enter their personal details, academic details, work experience, CAT score (Expected or actual CAT score) and individual percentile of all 3 sections, overall score and overall percentile to predict their eligibility and chances of getting a call from the list of 250+ IIMs and Non IIMs.

According to Mr Vivek Jain, Chief Business Officer of Shiksha.com, "This is the first time we have launched IIM & Non-IIM Call Predictor, and we are very excited about it. We are one of the first ever online platforms to show results from 250+ IIM and Non-IIM colleges. We would appreciate feedback and inputs from the users so that we can make it more suitable for students. CAT results will come out in few days and we believe our integrated and state-of-the-art tool will help CAT takers in identifying possible colleges that they can get through with their achieved scores and help them save time and money. We wish good luck to all the CAT students."

Shiksha has launched IIM & Non-IIM Call Predictor 2018 integrating results based on the scores and profile of 2017 call-getters. Besides cut-off details of the college, it also shows review rating of the college, duration of courses and course fees. In case of similar colleges' results, results are further sorted on the basis of review rating of the college. For non-IIMs, there is a shortlist button on the page,

which will help students get more information about the college.

There are numerous socio-economic factors that influence the college selection decision of a student. With IIM & Non-IIM Call Predictor, candidates can take a quick decision on which colleges they should apply based on their CAT score.

CAT Students can predict their CAT percentile or scores before the declaration of [CAT result 2018](#) on Shiksha's portal at <https://www.shiksha.com/mba/resources/iim-call-predictor>.
