

Sleepsia: A Premium Luxury Pillows Brand Now in India

Premium Luxury Memory Foam Pillows in India

Gurgaon, Jan 11, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Sleepsia, a leading brand of high-quality memory foam pillows in the US, is expanding and has finally been launched in India in November 2018. The analysis and research related to sleeping needs and issues that hamper sound sleep led to Sleepsia memory foam pillows coming to India.

Due to high-stress levels, many people in India have insomnia or neck pain or cervical related problems. According to the data, out of the 48 countries, no country manages to gain an average of 8 hours of sleep at night.

India has the lowest average sleeping hours of only 6 hours 20 minutes; which is representing a drastically low sleep average for the country. As a result, it has resulted in several serious health problems and a reduction in life expectancy period.

Sleepsia is renowned for delivering hundreds of products every day in a hassle-free manner with impressive feedback of improved sleeping experience. After the research findings regarding lack of sleep quality in most of the countries, Sleepsia's main goal is to offer a luxurious and relaxing sleeping experience to people of all age groups across the globe.

It is hypo-allergenic and dust-resistant so immensely safe even for people with breathing issues or sensitive skin. Sleepsia aims to help people get rid of different kinds of pain like cervical, neck pain, shoulder pain, etc. We have been observing for a long time that the main reason behind not having a sound sleep is the wrong selection of pillows.

Those who select a wrong pillow to end up tossing and turning the whole night. The next day gets equally hampered and is filled with laziness and anxiety. Sleepsia has a wide collection of memory foam pillows like infused gel cool memory foam pillows, [contour memory foam pillow](#), shredded memory foam pillows, Bamboo memory foam pillows, contour shape cervical memory foam pillows etc.

Each product of Sleepsia is long-lasting with one year of warranty period. The [memory foam pillow](#) helps to get rid of serious sleep issues and health issues like snoring, hypertension, Asthma, cervical pain, allergy, depression, insomnia, stiffness, neck pain, & migraines etc.

Sleepsia offers user-friendly delivery policy and is also available at the official website www.sleepsia.in. Sleepsia has made the delivery and communication process helpful with a 24x7 helpline service 1800-833-6688 for clearing any doubt. Online shopping sites like Amazon and Flipkart are making it possible to reach to a large heterogeneous group of people across India.
