

# Structure in the New Hip Hop Singer Jay Lewis's New Track 'Wake Up' is Well Formed

Those who are looking for some good hip-hop and rap music must listen to Jay Lewis's new track 'Wake Up'. The lyrics in his track are quite attractive and exciting.

**Bowling Green, Jan 2, 2019** ([IssueWire.com](http://IssueWire.com)) - **Jay Lewis**' music is bringing positivity in the life of the listeners. Through his composition, he portrays his love for music and also for people. His music reminds people to think and also before performing their duty one must analyze the situation. He wants to spread positivity and also wants to drag people towards the truth. In his composition, he states that one must speak the truth and also stay also stay true. His new track '[Wake Up](#)' he stated that one should always face the things that are in front of them without ignoring it. He states that people become blind to their surroundings and even miss blessings. In this track, he featured Criss BVR & OY. Visit Soundcloud to listen to **Jay Lewis** latest tracks.

The track '[Wake Up](#)' by [new hip hop singer from Kentucky Jay Lewis](#) is well produced and perfectly well suited to the mood of the two vocals. The musical flow in the track takes the listeners down in a compelling pathway. The way the track has been set up makes it work really well. The melody in **Jay Lewis**'s track presents the necessary flow of notes which makes it stand out which makes it quite recognizable. The mood remains constant and respectful of the underlying sentiments as well as the storyline.

The final part of the track '[Wake Up](#)' by upcoming hip-hop artist **Jay Lewis** changes its direction and

brings through more of a comforting nostalgia which makes the listeners grateful to be right where they are. The instrumentation and the vocal part in '**Wake Up**' work really beautifully together. The balance works well and the structure of each track offers intense verses which are often relieved or resolved with a simple powerful hook sentiment.
