

The Celebrity Artist Lord Conrad As A Spartan Warrior By The Famous Photographer Maurizio Montani

New York, Jan 2, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Lord Conrad reveals his chiselled torso as he goes shirtless for a new photoshoot with famous Italian photographer Maurizio Montani

He's better known for his music singles "Touch the Sky" and "Only You", that are major international music hits, with his official Youtube v "Touch the Sky " video clip that has more than one million n half views, but This time Lord Suprised us again for his gorgeous look.

Some of the pictures went on display at a preview music show in New York, with images of the multi-talented superstar posing as a Spartan warrior going viral.

The Multi-talented Artist went on to reveal his ideal woman and admitted he prefers 'genuine' girls.

He continued: 'I really go for big lips, but I like really pretty, nice girls who are quite genuine .'

And despite having a string of star-studded relationships in the past, Lord revealed that he's looking for someone who's not famous.

Lord is an epitome of confidence and is not afraid of baring himself.

The oozing confidence of the celebrity is the reason behind his pictures looking like a piece of perfect artwork and not to be relegated to something derogatory. The gorgeous beauty keeps making headlines courtesy his eye-grabbing pictures updates on social media and his music projects.

Stay tuned as Lord has finished a remix of the famous Scarface soundtrack " Push it to the Limit" in a modern TRAP version.
