

UK start-up, Efighting League Ltd – EFLGG, explodes on-screen in its first 3 months

London, Jan 25, 2019 (Issuewire.com) - The gaming, esports and celebrity league, Efighting League – eflgg (www.efl.gg) erupts into life with 5 million plus unique minutes watched and successful events within its first few months.

Efighting League Limited – #eflgg, founded in late November 2018, completed 3 significant milestones successfully; the first being an online event, hosting the English portion of Rivalry Rising Stars, which saw some of the world’s top Counter Strike teams battling out for a \$15,000 prize pool.

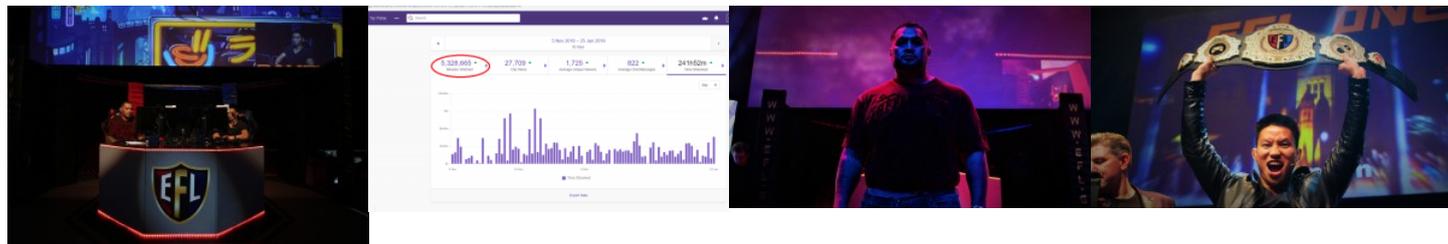

This was followed up by the inaugural launch party of the business, [EFL ONE](#), with broadcasting in late December 2018. The launch featured MMA superstars, heavyweight champion Mark Hunt and flyweight sensation Ben ‘10’ Nguyen battling in Mortal Kombat, CSGO, Brawlhalla, Injustice 2 and Nascar for the EFL ONE belt; with music performances from international hip hop artist Yung Fume and DBG.

Mid-January saw the first total [tally of stats](#), which Efighting League founder, [Umesh @aperezane](#) Perera, commented ***“I am still in shock after seeing the stats totaling 5.3 million unique minutes and a staggering 240 hours of unique content broadcast live”*** adding further ***“..there is a lot more to come with 3 online tournaments, 2 live shows in 2 different continents and collaborates with MMA organizations..”***

In addition, EFLGG shocked the [live broadcast](#) and gaming community by becoming a Verified Twitch Partner, a highly sought after coveted title, within a lightning 28 days, on the Amazon-owned network.

With intellectual property ownership's, broadcasting and copyright clearance on 4 different networks, front page coverage on Xbox/Twitch/Mixer and strong partnerships with major game studios, 2019 is set to be a ‘dynamite’ first year for the Efighting League and its activity.

The fighting League is currently seeking partners and sponsors for up and coming endeavors and projects.
