

## **Victoria's Secret, Feature Films and Advocacy: Renowned Model Adrienne White Has Done It All**

: Adrienne White is a successful fashion model and an actress, all the while working on important social issues and causes. She is now featured in the latest feature film 'Prodigy'.

**Los Angeles, Jan 14, 2019 ([IssueWire.com](http://IssueWire.com))** - Be it lucrative Victoria's Secret campaigns or thriller feature films, Adrienne White has done it all. She is no stranger to the world of modelling and entertainment. Having worked with many renowned names in the fashion business, she has now also started her career as an actress with much positive acclaim. With many years of commendable career achievements to her name, this model/actress also has a deep passion for activism and fighting for what is right.

A spokesperson for Adrienne White made a statement for the press, "She is a fierce advocate for many issues, even spending several years abroad. She continuously works for animal rights, social justice issues and environmental protection endeavours. She believes it is everyone's core duty to do their part in making the world a better place."

Other renowned brands that Adrienne has collaborated with include True Religion, Free People, Sports Illustrated, Joe Boxer and many more. Her latest endeavour is the role of Emily in 2018 drama and thriller feature film 'Prodigy'. She plays the role with much prowess, she is already gunning for more exciting ventures in the acting realm.

The spokesperson further added, "Throughout her extensive career, Adrienne has never let any opportunity go by. She has explored many new ventures and to this day, she keeps expanding her repertoire. From modelling to acting and everything in between, she is always unrelenting in the pursuit of her passions."
