

## Virtual CFO Service for SMEs & Start-ups is like a life saving medicine.

Business need peace of mind, regular consultation, oversee the financial planning, maintaining the report and management of financial risk of the business, hence a chartered accountant firm stands for such needs with Virtual CFO service.

FUNCTION  
OF A VIRTUAL CFO

**Noida, Jan 29, 2019 (IssueWire.com) - [Especia Associates LLP](#)** is a persistent and fastest growing consulting, taxation and accounting firm, which provides consulting services from Noida and Gurgaon, India and visioning to expand across the borders.

Especia [team](#) is known for financial and compliance matters, they are also a very well-known team of professionals in the finance department outsourcing services to solve the complex issues of the finance department of the organization.

"Our Clients appreciate our management skills, attention to details, commitments, trustworthiness, and approach of simplifying the requirements, be it a matter of Audit & Assurance, Corporate Regulatory matters, accounting and bookkeeping, payroll administration or start-up consulting, we deliver with the same passion" ~ [CA. Sajal Goyal](#) (Partner, Especia Associates LLP) says.

After an almost decade of experience, having clients like [Honda](#), [Daikin](#), Birlasoft, Genpact, Yamaha, Harley-Davidson, Especians are also focusing over start-ups and have client base like Snapdeal, Mobikwik, Jugnoo, iamwire. And specifically, for funded and growing start-ups and SMEs, they have solution name- Virtual CFO.

"We are taking care of responsibility of a Chief Financial Officer (CFO) virtually and helping organization virtually without any pain to an organization. Says ~ [CA. Harshil Goyal](#) (Partner, Especia Associates LLP), he further added "Even a small-scale growing start-up doesn't need to hire a Chief for their financial operations. Virtual CFO Service for SMEs & Start-ups is like a lifesaving medicine for business".

Especia Associates is the most recognized and reputed emerging Consulting firm with Virtual CFO services across India, especially center of the heart of the country- National Capital Region (NCR) space. And the company wants to continue to be known as the chartered accounting and consulting firm where attentiveness will never make noise for stakeholders. The company has an efficient and effective professional headcount to deliver services at every complex stage of business.

Especia is committed to helping enterprises to be more competitive by becoming more adaptive, innovative, globally effective and connected by enabling tighter management of costs, risks, regulations, and supporting growth.

The company is extensively working over the quality parameters continuously and delivering the excellence in their services to the client.
