Whoiszp is one such artist who has literally grown as a musician over time. His latest launches in Spotify stands as a testament to his evolution as an artist.

Phoenix, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - **Whoiszp** is a 21-year-old hip-hop songwriter and music producer who never fails to amaze the audience with his confessional raps. Making music his passion from a really young age, he started writing songs at the age of 12. **Whoiszp** dropped his first beat at the age of 19 and since then have been on a roll. While forming tracks he takes his own life

into consideration and shares with the world the experiences he has gone through. Using his label Whoiszp Recordings he lets his creativity shine.

Whoiszp is also known as ZP to his close friends and family. His latest launches to the public ‘**What are you so afraid of**’, ‘**Faking Luv**’, ‘**Sad Memes**’, and ‘**Ttly**’ are all based on the day to day experiences that we face as an individual. The tracks give us the perspective of **Whoiszp** and allow the audience to reflect on their past. ‘What are you so afraid of’, deals with the fear that people tackle every day by restricting themselves.

On the other hand, ‘Faking Luv’ has a deeply soothing, mellow soundscape with an intense theme imbibed into the song. It is the relatability of the track that has attracted the audience to it. Compared to this ‘Sad Memes’ with its realness, have stood out the most among the four tracks. And hypnotic beats incorporated ‘Ttly’ is captivating but the ambience is kept mellow to let the listeners focus on the lyrics. **Whoiszp** connects with his fans through his social media on Twitter, Facebook and Instagram.
