

Antonie Hilda Antomattey Dietrich, MD, Internist with her Private Practice

Get to know Internist Dr. Antonie Hilda Antomattey Dietrich, who serves the population of Puerto Rico.

New York, Feb 23, 2019 (Issuewire.com) - Dr Dietrich currently practices as an Internist with her Private Practice in Puerto Rico where she holds expertise in Diabetes, Nutrition, and Internal Medicine. She graduated with her Medical Degree from the Medical School in Santo Domingo in the Dominican Republic in 1990, giving her nearly three decades of experience in her field.

Dr Dietrich attributes her professional success to her internal drive, willing to help all people and love doing good things for others. When not working, she enjoys dancing, music and tennis.

Internal Medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Internists are skilled in the management of patients who have undifferentiated or multi-system disease processes. They care for hospitalized and ambulatory patients and may play a major role in education and research.
