

Aspiring and entertaining Artist LSO is about to release new mixtape

LSO
Mile A Minute

Carson, Feb 21, 2019 (IssueWire.com) - Riding the wave of hip hop backdrop, LSO delivers a remarkable hook by means of a heavily affected vocal. Her latest releases remind us of some golden hip hop days. This famous singer is about to release her first new single "Project Confidential" this year. Also, her latest video "I told you" is on YouTube and has garnered over 6000 views. Once you watch her video, you will not believe how remarkable she can be with her instruments. The elaborative hook and the rhythmic pattern is the basis of her credential. LSO has also done some outstanding singles naming "Fallback game", "lottery", "Hunnet" and much more.

The owner and founder of Sheshowoff and label Solo ent LSO have decided to be at the top of the music industry. Her music focuses on many different features of producing and the Carson California artist knows how to make people fall for her. The enjoyable beat and perfection are really good. Among all her singles, "Mile a minute" has received loads of acclaim which was released in last October. She also has one up and coming project whose date is yet to be revealed. All her enthusiastic fans must stay tuned to get her everlasting musical work.

The Carson California native has yet to reveal a release date for her up and coming project and tells fans to stay tuned.
