**Los Angeles, Feb 16, 2019 ([IssueWire.com](http://www.IssueWire.com))** - Dr Karyn Darnell, a local resident of Santa Clarita, California has just launched a book series called "True Privilege." The series features 3 books, "The Unholy Realm, Eliza's Elation and Revelation to Faith." It's a hair-raising story about a family of abolitionists spanning over a hundred years. Each book promises harrowing adventures as the reader is pulled into the dark world of forces that rob, steal and kill. It's a roller coaster of 'twists and turns' with an element of amazing fantasy, escaping to the above and beyond to the New Earth and meeting the Captain of the Lord's Army. It's a journey that is leaving the readers 'hanging on the edge of their seats' as the adventures, story-line and alluring characters makes this an, "I can't put it down saga."

Dr Darnell has a 'Doctorate in Counseling,' and wrote the series to bring attention to the over 30 million modern day sex and labour slaves around the world.

Most sex slaves only last 7 years on the market and then die early gruesome deaths of violence, disease, or suicide. The 3rd book, Revelation to Faith also brings attention to the illegal organ transplant trades globally. The series is faith-based and has social justice and redemptive themes. Karyn is also a Registered Nurse, who as a health care professional, feels it's imperative to bring awareness to the crimes, develop prevention programs, educate parent's and community's while raising funds to help those exiting the illegal trades. She has travelled the world, helping those who struggle. She also has a passion for building Christian communities. All the experience at home and abroad has made her writing deep and rich, pulling from a plethora of drama, trauma and amazing times.

The books are available at Author House Publishing, Amazon, Barnes and Noble Books. Dr Darnell is available for interviews and appearances.
