

Cricadium Announces Inclusion of New Category Focussing ICC World Cup 2019

Indore, Feb 6, 2019 (Issuewire.com) - Today Cricadium announced the addition of more categories focusing on the upcoming ICC World Cup 2019. Cricadium is one of the highly praised cricketing platforms providing high-quality content around all aspects of Cricket.

It provides Schedule of upcoming cricket matches, [cricket match prediction](#), Match Analysis, stats,

scorecard, Live Cricket Score, latest Cricket News, and cricket records.

Cricadium is already establishing the brand as a reliable player in the cricket match prediction space. Now, the new category will aim to capture the most important event of the cricket world - ICC World Cup 2019. The category will also include information about national cricket teams such as [Indian National Cricket Team](#), [Pakistan National Cricket team](#), [England cricket team](#), [Australia National Cricket Team](#), etc.

The Publisher believes that National cricket team's latest news and information will further strengthen the audience engagement and will make the platform more interesting.

The national cricket team content will include their latest cricket news, history, squad, schedule, records, and [live cricket score](#).

Their Media contact mentioned that - "We understand our followers. The new upgrades and inclusions are part of our constant efforts towards the mission of making Cricket a valuable resource for cricket lovers. We are confident that the Category will be well received and help Cricadium maintain its place in people's hearts and minds as a true one-stop platform for all Cricket updates."
