“Our Jacksonville location is the culmination of a 5year long effort to provide straightforward, cost-effective cannabis treatment to Florida patients,” says Jordan Groussman, president of Dr. Green Relief. “Jacksonville is the largest city in the state. We feel honored to be able to offer our services to so many people.”

The Dr. Green Relief Jacksonville office is located at 1126 University Blvd N, Jacksonville, FL 32211.

In addition to providing certifications for medical marijuana use, Dr. Green Relief also helps patients complete the lengthy state application process. If the doctor determines that the patient doesn’t qualify for cannabis treatment, the visit is free.

ABOUT DR. GREEN RELIEF

Dr. Green Relief began serving patients in Las Vegas, NV in 2014, providing medical marijuana card certifications to 65% of Nevada’s total cardcarrying population. The company moved its base of operations to Florida in 2014 and has expanded into 13 cities, earning top reviews on Google and Yelp. All medical evaluations are 100% confidential.
