District of Columbia, Feb 28, 2019 (Issuewire.com) - Every year millions of South Asians UNITE to celebrate the spring festival 'HOLI'.

Brainchild of Akhil Modha (AM Productions), Manan Singh Katohora (JMD Creations), and Saumil Parikh (Band Baaja Entertainment) "BOLLYWOOD KARMA - HOLI in DC" is the First Ever Indoor HOLI Event with COLORS and GLOW @ Washington DC's Premier Venue 'KARMA DC' <http://dckarma.com/> with Nation's Best "DJ SVP" on Saturday, March 23 (8pm to 3am).

Amid vibrant bursts of color, a troupe of dhol players — a traditional wooden drum played in South Asia — people dance around and splash each other with powder colored red, yellow, blue and green. The scene depicts the classic Holi traditions of family and friends coming together to laugh, dance, and feast.

HOLI is a spring festival, originating from the Indian subcontinent, celebrated predominantly in India, but has also spread to other areas of Asia and parts of the Western world through the diaspora from the Indian subcontinent, also known as the "festival of colours" or the "festival of love". The festival signifies the victory of good over evil, the arrival of spring, end of winter, and for many a festive day to meet

others, play and laugh, forget and forgive, and repair broken relationships. It is also celebrated as a thanksgiving for a good harvest. In recent years the festival has spread to parts of Europe and North America as a spring celebration of love, frolic, and colors.

Akhil Modha (AM Productions), Manan Singh Katohora (JMD Creations), and Saumil Parikh (Band Baaja Entertainment) host Premiere Bollywood and International Events for South Asians and International Audience in the DC/metro area (Virginia, Maryland, Washington DC) - a symbol of peace, brotherhood and unity, amidst the current chaos of the world. Men and Women dressed up, sing and dance to the popular tunes of Bollywood and International Music.

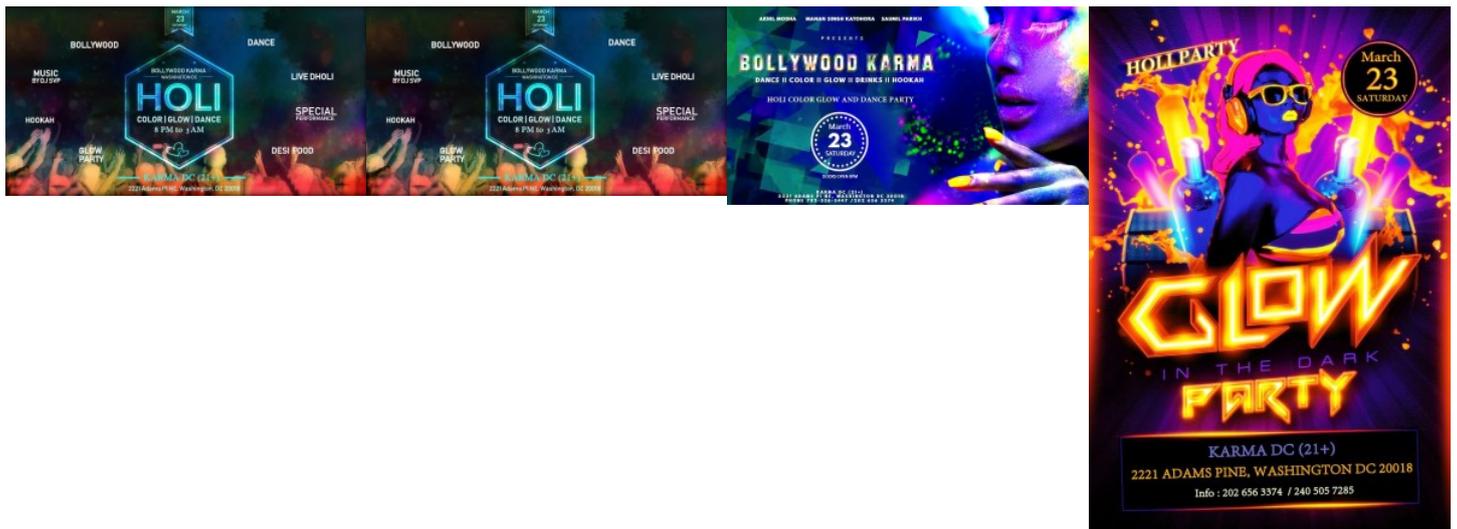

Food for purchase will be provided by 'INDISH' - an exotic Indian Restaurant.
