

Florida Chiropractic Physician Association Feb 22-23, 2019

FCPA CE Seminar

Costa Mesa, Feb 18, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Rapid Release Therapy will be attending the FCPA in Florida this year, booth #12.

Park Inn by Radisson Resort & Conference Center Orlando

Quality Speakers, Interesting lectures, Affordable Hotel. The same great [FCPA CE Seminar](#) but better!!! Education, advancement, parties and fun.

About Rapid Release Technology

Headquartered in Costa Mesa, California, Rapid Release Technology, LLC is the innovator of targeted, high-speed vibration therapy to relieve aches, pains and stiff muscles. Rapid Release, founded by chiropractor Stanley Stanbridge, D.C., is dedicated to improving people's lives and wellbeing through the development and production of innovative, proprietary products designed to achieve measurable results. **To learn more about Rapid Release Technology and the Pro2, visit www.rapidreleasetech.com.**
