The Hypocrisy of America

Niagara Falls, Feb 18, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Former Professional Boxer and Actor Makes Huge Splash on Amazon With First Book, "The Hypocrisy of America"

"A must read, honest, passionate, and inspiring." William D. Kennedy II

Author James Ventry writes a book that cuts right to the heart of the issues. In covering the 2016 Primaries and election *The Hypocrisy of America* explains the medi, and figures like Bill Maher's role in putting the wrong candidate into the race against Donald Trump. The author also gives a fantastic explanation as to why Bernie Sanders supporters could never back Hillary Clinton, consequences be damned.

In the chapter *A Judicial Joke*, *The Hypocrisy of America's* author gives a unique, inside look at how Americans are sentenced to prison for acquitted conduct. Additional chapters include the Military Industrial Complex, Democrats and Republicans, A One Party System, African Americans in America, and a look at how a few companies are poisoning us on one end of the spectrum and selling us the treatments on the other end in, *The Cancer Conspiracy*. Using humour, personal stories, and offering solutions, *The Hypocrisy of America* is an amazing book that is written for everyone. The reader will certainly not be disappointed.

The author was a journeyman boxer fighting all over the country, including the famed Madison Square Garden. James earned a Bachelor's degree from the University at Buffalo and a Masters degree from Niagara University. As part of the film production company White Lion Studios, James starred in the action-packed *Crimson the Motion Picture* and had a smaller role in the hilarious *Attack of the Killer Shrews*. White Lion Studios has an agreement to have their future films aired in 29 states and 101 markets. Their next movie "*The Glob*" will be filmed in the summer on 2020.

*The Hypocrisy of America* can be purchased on Amazon at [www.amazon.com/dp/1794439056](http://www.amazon.com/dp/1794439056)

It's also available on Kindle and Nook and soon at Barnes and Noble.
