

Gifted Artist Hound305 Is Packing the Clubs with His Cutting-edge and Quirk Musicality

Dedicated musician Hound305 is all set to debut a collection of mind-blowing and meaningful music tracks. His tracks are already causing buzz on the gala.

Miami, Dec 31, 1969 (Issuewire.com) - If expressive and heartfelt music is your thing, then you must listen to this imminent rapper [Hound305](#)'s immaculate set of music tracks. This incredibly talented artist is rocking the world of his with superb hip hop and rap blends. This **music artist of Miami** has been involved with music for quite some time. His refreshing approach towards making music is picking up a lot of attention and praise from music lovers all over the world. He believes in getting real when it comes to his music which makes it easier for listeners to relate to the artist. This artist has produced quite a lot of memorable music pieces in wide range of music genres like hip hop & rap, trap, reggae and drum and bass.

A much-awaited and immensely skilful artist [Hound305](#) is finally here with a selection of professionally crafted and conceptual music tracks for die-hard music fans. This artist and song writer works hard to bring together a couple of extremely expressive tracks and albums to deliver an unforgettable musical journey that is meaningful as well as enjoyable. Things start off with the first track in his collection, '[Hound- Versatile](#)' which showcases an electrifying ambience and hard-hitting rap verse which come in a huge contrast with the melodious hook section. The second track 'Hound-Real Love' seems to have been inspired by the hip hop and rap music of the nineties.

The other tracks of [Hound305](#) like 'Hound –Nice And Slow', 'HOUND – COLOR ME BAD' and 'Hound – Gods Plan' feel very creative and alternative. The approach of this artist, by all means, cannot be predicted. The audience learn to expect the unexpected and be entertained by the funky beats and rhythms of the tracks. The slow and immersive soundscape and the brilliant lyricism are already getting this artist's music viral on [YouTube](#).
