

Global Insurance Brokers Pvt. Ltd. expands its leadership team

Mumbai, Feb 14, 2019 (IssueWire.com) - Global Insurance Brokers Private Limited, India's premier insurance, reinsurance, and risk management broking house, serving over 2000 clients worldwide and having placed over USD 2 billion in insurance premium, continues its growth journey with the expansion in leadership team by appointing Mr. Rajshekar Kalluri as its Managing Director.

Insurance industry in India is evolving with increasing awareness, innovative new-age products, and changing nature of risk and cyber risks. The companies are redefining their products portfolio to mitigate the quantum of risk and cater to different customer segments. Thus, the aggressively growing and highly competitive general insurance market called for the need for a new generation of professionals. GLOBAL, known for having the best names in the industry has further strengthened its leadership team with Mr. Rajshekar Kalluri on board who comes with vast experience in multiple industries coupled with a solid professional background.

In his current position, Rajshekar will focus on further building GLOBAL's momentum and accelerating business transformation. He will be responsible for overall sales, branches, HR, shared services and claims. ***Commenting on Mr. Kalluri's appointment, Prabodh Thakker, Chairman, GLOBAL said,*** "Rajshekar comes with extensive experience in business strategy and impressive track record of building strong client relationships and leadership skill. We firmly believe that he will provide a valuable and fresh perspective as we continue to pursue organic and inorganic growth and enhance value for all our stakeholders. We are pleased to have him on board and confident that his passion for innovation, as well as his rich and diverse experience, will add immense value and further growth to the organization".

Rajshekar Kalluri added: "I am excited to be a part of GLOBAL and continue the company's strong track record of providing futuristic risk solutions. With changing dynamics of business and identification of new-age risks, the insurance industry is on the verge of a seismic tech-driven shift. It's an exciting time to be in this industry and I look forward to leveraging my multi-sector experience and deliver distinctive values to Global, its customers, and other stakeholders".

Mr. Rajshekar Kalluri joins GLOBAL with nearly 20 years of experience in sales, operations, and strategic planning in the corporate banking, consumer banking, international banking and credit rating sectors. Having worked with large corporates like Fitch Ratings, Standard Chartered and ICICI Bank in the past, Mr. Rajshekar Kalluri comes with a strong background and proven results in growing businesses.
