For the India chapter, 2000 riders from all over India rode down to Aguada, Goa, for two days of celebrations on February 1-2.

Highlights of the celebrations were performances from eminent musicians like Garry Lawer and Fiddlers Green. A standing tradition for the annual H.O.G. Rally is the custom bike contest, where bike builders from all over India take part in and showcase their customized Harley bikes. This year, Roy Chacko from Hyderabad was declared the winner for his customized Night Rod Special.
