

Honouring International Women's Day, OyeGifts Adds New Gifts To Its Collection

New Delhi, Feb 28, 2019 ([IssueWire.com](http://www.IssueWire.com)) - OyeGifts, a leading online gifts delivery portal, celebrates International Women's Day 2019 by expanding its line of gifts in the honour of all women across the world. It's the right time to show appreciation and respect towards all women who have made lives better and have stood for their families unconditionally. Playing the role of a mother, sister, wife, daughter, girlfriend and friend, women deserve special treatment by their dear ones. While they must be

pampered every day, the world takes this opportunity on International Women's Day to celebrate womanhood and pay their tribute to every lady around the globe.

This is the day when family and friends can enlighten the women in their lives and pamper them with special gifts with a whole new collection of [Women's Day gifts](#). Saying thank you to women for their unconditional love, for being moral support, a lover, a mother and a sister is not enough. A gift helps express gratitude and emotions in a truly effective way. OyeGifts' refreshed collection of women's day gifts keeps things simple by allowing to get the most unique gift idea for the day. The shelf all adorned with impressive women's day gifts for mother, sister, wife, daughter, friend and girlfriend is all set to give the best choice to celebrate the day in a memorable way.

The latest additions to the gift range are sure to bring happiness to the lives of women. Choices in the gift selection include stunning flower arrangements, women's day special cakes, and personalised gifts to brighten the day of a woman and melt their heart. OyeGifts provides prompt online delivery right at the doorstep for a wonderful surprise.

Lauding women on a special day and shedding some light on the latest additions to the gift line, a spokesperson says, "A woman is a goddess of true love, care, affection and support. They deserve honour and respect on this day. Since love, respect and honour are so beautifully reflected through flowers, we have brought a whole new and exciting arrangement of flowers to respect our women. One can choose the best gift from thousands of options to celebrate womanhood. The flowers are fresh, assembled so elegantly in a wonderful bouquet and bring a rainbow of colours to the door. Besides, the cakes are freshly baked and infused with delectable flavours to add sweetness to the day. Furthermore, we are also providing customised gifts to beautify their day."

About the last minute deliveries, the team says that they take responsibilities for their client's forgetfulness and ensures same day delivery of gifts as their rescue. Same day deliveries take care of the last-minute realisations by sending the prettiest surprises to her in a matter of hours.

A plethora of options and surprising qualities, OyeGifts has it all to warm the hearts of ladies and make them feel special on International Women's Day 2019.
