

“Hooligans” Is A Hit!: “Two Boobs And A Baby” Starring Character Actor Steven Ciceron To Follow

Palm Springs based Independent Film Company to begin filming a 2nd silent movie.

Palm Springs, Feb 12, 2019 (IssueWire.com) - Intriguism Moving Pictures' (IMP) (www.intriguism.com) recently released silent comedy short film, "The Happiest Of Hooligans", has received unprecedented responses from viewing audiences. Thanks to "Hooligans", the IMP youtube channel views are up 45%, watch time is up 124%, retention is 100%, and subscriber numbers are up significantly -- within twenty-four hours of posting the unique movie.

The overwhelmingly positive response is largely due to the growing popularity of its star, Steven Ciceron (www.stevenciceron.com), and his increasing legions of fans, warmly referred to as "Ciceronies". This follow-up silent comedy short film, "Two Boobs And A Baby", starring Mr. Ciceron as the reprized Mr. Fitzgerald part of "The Happy Hooligans", is currently in pre-production, with production tentatively scheduled for mid-February 2019. The laugh-a-minute "Two Boobs And A Baby" antics centers around the dim-witted "Hooligans" babysitting a cranky infant.

A constantly-working, versatile bi-coastal actor, Mr. Ciceron has an impressive resume of stage, television, and film roles. The always-interesting, award-winning Mr. Ciceron can be seen in IMP's "The Glorification of Gwen", "The Ghost of Room 13", and "Circus of Death". In the challenging role of "Mr. Fitzgerald" in the riotous "The Happiest of Hooligans", Ciceron's displays the finely-tuned comic timing of the great comedians of yesteryear while bringing an appreciation of needed laughter to today's audiences who will not be disappointed with "Two Boobs And A Baby".

IMP is a prolific independent multimedia underground film company based in Palm Springs, California, which co-produces projects with LA-based Entar Entertainment. Iconoclastic film-maker, His Grace, Brother Andy, will write the original "Two Boobs" screenplay, Executive Produce, direct, edit and act. Real estate mogul and Patron of the Arts, Corey Chambers, will serve as producer, along with Steven Ciceron.
