

Ingenious Artist Darius Lux Goes Global with His Newly Released Track 'Hallelujah'

Darius Lux is gaining a lot of praise for his remarkable performance in his new track 'Hallelujah'. His track is already a hit among music lovers worldwide.

Los Angeles, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - Distinguished singer and songwriter **Darius Lux** has appeared with a magical track '**Hallelujah**' which is leaving the listeners hypnotized. This international award-winning artist basically specializes in delivering uplifting as well as melodious pop-rock music. He is from London but moved to NYC, and has worked with some famous names in the

music industry like Daryl Hall and Jennifer Lopez. His unique style of combining the 60's song writing and 70's soul, his musical blends are changing the lives of countless music fans worldwide. He is recently going on tours and is currently busy promotion his music. His recently released track is actually a part of his upcoming album like "Dreaming The Life".

There are several elements which make this multi-faceted artist **Darius Lux** more different than others. His music is an exquisite combination of classic pop music with rock, folk and reggae. Even in his new single '[Hallelujah](#)' comes off as very exotic and mesmerizing due to this factor. His thoughtful and mellow vocal performance along with acoustic instrumentation creates something very earthy and grounded. His music delivers a refreshingly unique music experience especially for those who are looking for some elements of inspiration and experience.

He crafts a wide range of tracks from relaxing musical pieces with a lot of romance and optimism. This artist further goes on to prove his unlimited nature of creativity by producing music pieces which are full of theatrical and high quality sound and experiences. The melody, rhythm and vocal performance are the trademarks of this artist's work.
