

Internist Rana Hassan, MD Provides Services for the Greater Valley Stream, New York Area

Get to know Internist Dr. Rana Hassan, who serves the Valley Stream New York area at his private practice and at several area hospitals.

New York, Feb 28, 2019 (Issuewire.com) - In addition to his private practice, Dr Hassan is affiliated with several area hospitals, including Long Island Jewish Valley Stream and Northwell Health Hospital, which allows him to reach a wide range of patients. Currently, he specializes in performing physical exams and treating a wide spectrum of common illnesses in adults.

Dr Hassan completed his medical degree at the Ross University School of Medicine and then continued his medical studies by undertaking a residency in internal medicine at the Mount Sinai School of Medicine. Dr. Hassan has been board certified by the American Board of Internal Medicine in Internal medicine and holds a New York state medical license.

To stay current in his field, Dr Hassan maintains a number of memberships in prestigious medical organizations. He is a staunch proponent of lifelong learning and continues to invest in his medical education through training. He is able to offer his patients the best medical treatments possible because of his dedication to his field.

Internal Medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult

diseases. Internists are skilled in the management of patients who have undifferentiated or multi-system disease processes. They care for hospitalized and ambulatory patients and may play a major role in education and research.

Dr Hassan's over twenty years of experience in the field allow him to give his patients the most top-notch treatments. Because he has many practice locations, he is able to reach a wide range of patients for a variety of treatments and assistance.
