

## Islands that float sensation and New book.

Unconfirmed title...

**Melbourne, Feb 6, 2019 (Issuewire.com)** - Jarrod A. Freeman (CEO Of Triptekt Productions) Recently released an amazing book called "Islands That Float" that got an amazing Goodreads score of 4/5.

Since the release of the book, the title has been plugged on twitter and facebook.

Triptekt production has its great business partner known as 'Instant Noodles' and he helped with the production value.

Triptekt has had rumors of a new book submerging from the deep. But still unconfirmed to the public.

12 Islands. 2 factions. Only One can rule.

The world we know is inflames. Above us is the world we know now. The world is all in the sky. Islands that float is now our home. We the resistance live in the cracks underneath the floating city.
