

Jenna Davies, DDS, Dentist with Davies Dental

Get to know Dentist Dr. Jenna Davies, who serves the population of Indianapolis, Indiana.

Islip, Feb 7, 2019 (Issuewire.com) - Dr. Davies completed her undergraduate degree from Augustana University where she graduated with a Bachelors in Biology with a Minor in Chemistry. Furthering her education she graduated with her Doctor of Dental Surgery Degree from the Indiana University School of Dentistry in 2012, giving her 7 years of experience in her field. After obtaining her dental degree she completed her General practices residency with the Indiana University School of Medicine. She has also received extensive Invisalign training.

To stay up to date in her field, Dr. Davies remains a professional member of the American Dental Association, the Indiana Dental Association, the Indianapolis District Dental Society, and the Spear Study Club. She currently practices at her private practice Davies Dental where she holds expertise in general dentistry. Additionally, she has participated in several outreach programs here and abroad in New Orleans and Brazil.

General dentists provide a wide array of services that are vital to patients' continued health. These services include: preventive services — helping to maintain good oral health by stopping disease before it takes hold in the mouth; restorative services — receiving timely and appropriate treatment when a problem is identified; as well as cosmetic services — performing a range of cosmetic procedures, such as teeth whitening, cosmetic bonding – even porcelain veneers. General dentists also address overall health concerns, as oral health is seen as the mirror of general health. In fact, some dental problems may reflect issues in other parts of the body and vice versa.

Dr. Davies attributes her professional success to want to have an impact on changing people's lives. When not working she enjoys spending time with her husband Josh and dog Zoey. She also enjoys spending time with friends. She likes the Indianapolis Colts and loves music and movies. Traveling and exploring other cultures is one of Dr. Davies' passions.
