

Joshua Dinneman's GolfView features Phil Mickelson

Carlsbad, Feb 21, 2019 (IssueWire.com) - Joshua Dinneman's GolfView magazine and affiliated website www.golfviewmagazine.com and golfviewjapan.com and golfviewkorea.com feature photos of legendary pro golfer Phil Mickelson as media coverage of pro play.

Dinneman commented "Phil Mickelson is a great champion and very intelligent master of the game. GolfView which was founded in San Diego back in 1993 draws a lot of inspiration from Phil as we have enjoyed watching him locally and become the great champion that he is".

Golfview was originally established by Dinneman to publish travel information in Japanese to international golf consumers.

Japan Airlines, American Express, Daiwa Golf and JTB were some of GolfView's early partners.

As GolfView developed many other relationships have been developed along with ongoing coverage of pro play and best golf destinations.
