

Joshua Dinnerman , Pepsi distributors meet internationally

Rio de Janeiro, Feb 28, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Joshua Dinnerman an international businessman has met with various parties who own Pepsi distributorships in India and Latin America.

Dinnerman who has business in media, food trade and development and conducts business globally.

Dinnerman commented "Pepsi is a global brand and in many markets the groups that own distributorships are leading business organizations.

It is an interesting that realization that leading beverage distribution groups tend to have a foothold as strong business organizations in their local markets."

Dinnerman who worked extensively in India and Latin America. Developing markets have been a high priority for Dinnerman where there is expected to be continued growth.
