

Joshua Dinnerman Will Smith say hello

Chicago, Feb 19, 2019 ([IssueWire.com](http://www.IssueWire.com)) - GolfView Creator and founder Joshua Dinnerman met Will Smith at a Palm Springs golf course and had a chance to say hello.

Both native to Philadelphia the two fondly recalled the Championship Sixers team with Dr J that went all the way.

Joshua Dinnerman commented on the meeting "Will was very friendly and we said hello before going to play golf. He tested to see if I knew the starting 5 of the Sixers team that won the Championship. I can certainly see why he is so successful He has a great personality and is fun to be around. I wish him continued success".

Dinnerman has been in the golf, sports and media business for a number of years.
