

Key To Unlock Your Potential by Kate Iroegbu features Nick Ronald

Renowned motivational speaker, Kate Iroegbu, partners with public speaker and author, Nick Ronald, to host Key To Unlock Your Potential

London, Feb 27, 2019 (IssueWire.com) - Having a purpose in life makes one feel more productive, more focused and happier. Knowing one's destination is something that most people wish for, but unfortunately, not a lot of people have. In most cases, people tend to be confused about what they want or how to get it. 'Key to Unlock your Potential' is an event particularly organized for persons in this situation, providing attendees with the tools, skills and right mindset to achieve their potential.

The amazing event held by Kate Iroegbu and Nick Ronald on the 23rd of February at the Lancaster Gate Hotel is organized to help people come with an idea and leave with a plan with the aim of changing and improving their life. As well as Nick and Kate and other international motivational speakers, an expert on Project Management, a Wealth Coach, and NLP expert also offer the necessary tools to ensure a better life.

Kate is a renowned motivational speaker that has been recognized for her successful YouTube channel 'Kate O Show'. Kate and Nick have years of helping people achieve their goals and giving people the right mindset to do the things they want.

Kate Iroegbu comes from a science background with two B.Sc.'s honors degree in Microbiology from the University College Dublin, and Delta State University, Abraka, Nigeria. She also obtained an MBA in Marketing and business administration from Lagos State University, Nigeria, and training on personal development, and life coaching. All this in the process of obtaining a Diploma in Life Performance Coaching from one of the best in the coaching industry, The Coaching Academy. Kate worked as a Senior Cabin Crew with Virgin Atlantic Airways in the past and worked briefly in Public Relations, Customer Service and as a Medical Laboratory Assistance in several hospitals in London. Kate have been through several difficult situations in life but found her calling in her challenges and now helping many to overcome their difficulties.

Kate is the Director/CEO of TriumphInTheMidstOfAdversity.Com Ltd, a company founded in order to help many fulfill their potential, she launched two powerful coaching programs "Adversity to Triumph" and a Premium Best-Selling Coaching to Fulfilment all geared to help many fulfill their potential as 92% of the world population fail to fulfill their potential. Those who are unable to find a way out of their difficulties will not only learn from Kate how to handle difficulties, in order to overcome any situation but they will also learn how to turn their adversity to triumph. Visit www.TriumphInTheMidstOfAdversity.Com for further details.

Nick Rick, on the other hand, has been a communications professional for 25 years, as well as a public speaker and author. After following his passion for writing and understanding people, he studied English and Sociology at University. Qualified in NLP and CBT, Nick uses his knowledge of human behavior to help people influence their audience to grow their business or improve relationships. An entrepreneur with businesses interests in health and books and founder of the Secret Influence TV YouTube channel, Nick is passionate about helping others reach their potential.

The six weeks event will offer attendees an opportunity to learn from the best hands – Nick and Kate, while also receiving a brochure on how to achieve one's life goals and a signed copy of Triumph in the Midst of Adversity, an inspirational and transformative book where Kate shared some difficult situation she went through and the knowledge that will help countless people handle difficulties and overcome adversity. In the book, she also shared her eight key strategies to handle adversity that led to ultimate triumph and receive a copy of Secret Influence, how to communicate with power.

Anyone who is looking to make a change in life, whether that's a career change, start or grow a business or progress your career should give this event a go. It will be inspirational, educating and hopefully life-changing.
