West Sussex, Feb 21, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Bagley and Son Ltd, leading online retailer in the world of luxury fabric and craft accessories.

The leading retailer of luxury fabrics today announced it would be expanding globally. The company, which prides itself on unique e-commerce project, will announce to sell and ship cloth / fabrics globally

via the brand-new luxury store online: <http://www.bagleyandson.com> to the public.

"We are thrilled to have the opportunity to work with some of the most renowned merchants, mills, manufacturers and designers.

*Our first collection includes over 2 780 luxury fabrics from the world-renowned **Holland & Sherry**. Since 1836, prestigious tailors and luxury brands have been supplied with Holland & Sherry cloth"*

We are developing our product range to offer clients access to some of the world's finest fabrics through our simple to use online fabric destination that embraces the best of 24/7 ordering convenience and technology for both domestic and international buyers.

Fabrics which before was available only to the best fashion houses, bespoke tailors and couturiers.

*"We are delighted about our relationship with the best suppliers like **Holland and Sherry – The finest cloth in the world** and look forward to introducing their products to the e-commerce retail market. There is a synergy between our two brands that we feel will result in a profitable relationship for both of us"*

This season Holland & Sherry proudly present a new and exclusive collection of fabrics produced from Gostwyck superfine Saxon merino wool. More... (please click link below)
