

Meet Siora Surgicals in Fime Show 2019

Fime is a popular medical devices exhibition in which SIORA is going to participate.

26TH - 28TH JUNE 2019 | BOOTH NO.: E 57
FIME SHOW 2019 - MIAMI BEACH CONVENTION CENTRE, FLORIDA, USA

New Delhi, Feb 8, 2019 (Issuewire.com) - Siora is a regular participant at FIME. It displayed its wide range of [Orthopedic Implants & Instruments](#) at its booth in FIME 2018 held at Orlando. There were many visitors to our booth. More than 40 potential distributors from Latin American countries reviewed as well as discussed, our trauma orthopedic product range and association with few of them were decided for starting Marketing of SIORA products in their respective countries. Overall, it continues to be a promising avenue to display our expanding variety of trauma products.

After two years at Orlando, this year FIME 2019 has shifted back to Miami. Like every year, we will be displaying our Trauma Product range with new additions to our wide product range of Implants and Instruments at our above booth:

- PFNA2 Nailing System
- ADROIT AFN Nailing System
- Locking Head Screw
- ADROIT Multifix Tibial Nails
- Helix Locking Compression Plate
- Cannulated Screws
- Hip Prosthesis System
- External Fixator System

- Spine Implants
- Mini Fragment Locking Implants
- Delta Interlocking Nailing System
- Tru Interlocking Nailing System
- General Orthopedic Instruments

We believe in having a long-lasting partnership and work in a transparent manner with our Distributors for mutual benefit. Working in tandem with our Distributors, we keep the inventory of finished goods for expeditious as well as timely delivery.

We also have a different division to cater to Customers who can be interested to get orthopedic products under their Label/Brand. We have Neutral Code from Licensing authorities for operations of OEM manufacturing.

If you are coming to [FIME Show 2019](#), do visit us for all your requirements of Orthopedic implants and instruments. We warmly welcome you at our Booth at FIME.
