New York, Feb 19, 2019 (IssueWire.com) - Dr. Burrel Gaddy completed his undergraduate degree from the University of Texas. Furthering his education he then graduated with his Medical Degree from the University of Texas Southwestern Medical Center in 1990, giving him nearly three decades of experience in his field. After obtaining his medical degree he completed his General Surgery internship with the Washington University School of Medicine, followed by his Orthopaedic residency with at the Washington University School of Medicine. Dr. Gaddy is board certified by the American Board of Orthopaedic Surgery. He is a past Medical Staff President at Shawnee Mission Medical Center, (now Advent Health) and is a member of the American Academy of Orthopaedic Surgeons. He is currently the senior partner with Midwest Orthopaedics.

Dr. Joel Lane completed his undergraduate degree at Truman State University. Furthering his education he then attended the University of Missouri in 1994, giving him over two decades of experience in his field. After obtaining his Medical Degree he completed his Orthopaedics residency from the University of Missouri-Columbia. Dr. Lane is board certified by the American Board of Orthopaedic Surgery and a member of the American Academy of Orthopaedic Surgeons. He holds expertise in general orthopedics, including joint replacement, fracture care, arthroscopy, and sports medicine.

Dr. Robert Sharpe completed both his undergraduate and Medical degrees from the University of Missouri. Orthopaedics residency with the University of Missouri-Columbia. Wanting to further his training, he then completed his Sports Medicine Fellowship with the University of Missouri-Kansas City. Dr. Sharpe is board-certified in both Orthopaedic Surgery and Sports Medicine by the American Board of Orthopaedic Surgery. Dr. Sharpe is a member of the American Academy of Orthopaedic Surgeons and the American Orthopaedic Society for Sports Medicine.

Dr. Adam Wait completed his undergraduate degree from Ottawa University. While there he was an athlete and member of their football team. Furthering his education he graduated with his Doctorate of Osteopathic Medicine Degree from the Kansas City University of Medicine and Biosciences in 2005. After obtaining his Medical Degree he completed his internship with Pinnacle Health Hospitals, followed by an Orthopaedics residency with the Pinnacle Health at Community General Osteopathic Hospital in Harrisburg, PA. Dr. Wait also completed his Orthopaedic Sports Medicine Fellowship with the University of South Florida. Dr. Wait is board certified by the American Osteopathic Board of Orthopedic Surgery. When not working, Dr. Wait enjoys spending time with his family and exercising when he gets a chance. Orthopaedic surgeons are devoted to the prevention, diagnosis, and treatment of disorders of the bones, joints, ligaments, tendons, and muscles. Some orthopaedists are generalists, while others specialize in certain areas of the body, other specialty focuses include shoulder and elbow, hand, and spine. Orthopaedic surgeons treat broken bones, and replace painful joints, and also treat patients for sports injuries, back pain, ruptured discs and spinal stenosis, bone tumors, carpal tunnel, hand arthritis and hand injuries, club foot, bow legs and hip dysplasia, orthopedic trauma, limb lengthening, Achilles tendon injuries, bunions and foot, and ankle injuries, osteoporosis, and arthritis.
