

## Mixtape 'Shades Of Madne\$\$' Vibes the Creative Brilliance of the Rap Artist Madne\$\$ (Tnt)

Enjoy the experimental sound wave with a touch of hip-hop in 'Shades of Madne\$\$' created by Rence Madne\$\$ (TnT). This hit mixtape is available on Soundcloud now.

**Jersey City, Dec 31, 1969 ([Issuewire.com](http://Issuewire.com))** - It takes a real musician to create music based on his personal experiences and **Rence Madne\$\$ (TnT)** can be described as one. His music has got a passionate intensity that seems to be missing in most artists. Creating compositions that people can relate to happens to be the objective of **Rence Madne\$\$ (TnT)** behind his passion for music. His mixtape '**Shades of Madne\$\$**' can be described as a collection of most relatable tracks out there in the industry. Unlike others, he doesn't care about the ongoing trends in the music business and creates what speaks to him. This is none of the reasons for his ever-growing fan base.

The tracks in '[Shades of Madne\\$\\$](#)' can be described as intense, relatable and unique. Though of all of the tracks has been based on the genre on hip-hop and rap yet none of the songs have an element of monotony. Some of the tracks such as 'Madne\$\$', 'Up in Smoke', ' Before I End The Night', 'Long Week', 'Not Trending' are trending all over the world among music lovers. Each of them has an intensity that is bound to get you hooked to them. This [United States rap singer](#) is on the way to dominate the stage with his compositions.

**Rence Madne\$\$ (TnT)** till now have made a total of nineteen tracks. it can quite clearly be said that his music is different from you every day hip-hop tracks. His love for experimenting with various

genres can be found through his tracks like 'Everywhere I Go', 'Money Right Now', 'Reflecting', and 'Be A Fan'. His music keeps on developing at a rapid scale. His evolution as an artist can seem through his growing number of followers in his social media profiles. The artist connects with his fans through Facebook, Twitter and Instagram.
