INTERNATIONAL  
TRADE  
COUNCIL

**Mumbai, Feb 21, 2019** ([IssueWire.com](http://www.IssueWire.com)) - NSDL e-Governance Infrastructure Limited today announced that it will be participating in the International Trade Council's Trade Mission to Singapore from March 25 to March 28, 2019.

NSDL e-Gov works closely with various Government agencies for designing, managing and

implementing e-Governance Projects.

"The Trade Mission to Singapore presents an invaluable opportunity for NSDL e-Governance Infrastructure Limited to continue forging lasting international relationships and to promote ongoing bilateral cooperation with companies in Asia," said Gagan Rai, MD & CEO. "NSDL e-Governance Infrastructure Limited's participation in this Trade Mission will grow NSDL's position as a market leader in the e-Governance field."

Included in the trade mission will be a series of networking events, seminars and presentations about business opportunities in Singapore, on-site visits and business-to-business meetings arranged by the International Trade Council.

During the trade mission NSDL e-Governance Infrastructure Limited will also be an invited guest at Internet of Things Asia (<http://www.internetofthingsasia.com>) – an award-winning event, bringing together solutions providers, technology heads, design/solution architects, engineers, academic institutions, investors and start-ups together for an enriching learning and sharing experience.

Companies wishing to schedule a meeting with NSDL e-Governance Infrastructure Limited during the visit may contact the Trade Council's office in Singapore or email [sing-mission@tradecouncil.org](mailto:sing-mission@tradecouncil.org).
