

Orthopedic Surgeon Damion Harris, MD Provides Services for the Greater New Castle, Indiana Area

Get to know Orthopedic Surgeon Dr. Damion Harris, who serves the New Castle, Indiana area at his private practice and several local hospitals.

New York, Feb 22, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Harris's specialty is General Orthopedic surgery with special interests in total knee and total hip replacement, total shoulder arthroplasty, reverse total shoulder arthroplasty, knee, and hip arthroscopy and sports injuries, carpal, and cubital tunnel syndrome, and fracture care. Dr. Harris has earned several honors throughout his career, including becoming a Fellow of the American Academy of Orthopedic Surgeons.

Dr. Harris received his medical degree from the Indiana University School of Medicine and then went on to complete his orthopedic residency at the Southern Illinois University School of Medicine, in Carbondale, Illinois. Dr. Harris has been board certified in orthopedic surgery by the American Board of Orthopedic Surgery.

To stay current in his field, Dr. Harris maintains a professional membership in prestigious medical organizations. He has contributed to furthering the field of orthopedic surgery by conducting research and publishing his findings in prestigious medical journals, including *The Iowa Orthopedic Journal*.

Orthopedic surgeons are devoted to the prevention, diagnosis, and treatment of disorders of the bones, joints, ligaments, tendons, and muscles. Some orthopaedists are generalists, while others specialize in certain areas of the body, such as the shoulder, elbow, hand, and spine. They treat broken bones and replace painful joints. They also treat patients for sports injuries, back pain, ruptured discs, spinal stenosis, bone tumors, carpal tunnel, hand arthritis and hand injuries, club foot, bow legs, hip dysplasia, orthopedic trauma, limb lengthening, Achilles tendon injuries, bunions, foot and ankle injuries, osteoporosis, and arthritis.

Dr. Harris has ensured his patients are cared for to the highest standard. He practices at both Henry Community Health and Hancock Regional Hospital, which allows him to serve a wide range of patients. When he is not seeing patients, he enjoys spending time with friends and family members.
