Los Angeles, Feb 13, 2019 ([Issuewire.com](http://Issuewire.com)) - Pipo Beats announces his next single release “FLAWLESS” on February 28th

California’s own Pipo all at the age of 20 is a multi-instrumentalist who slays behind a drum set. On top

of that, he writes, produces, raps and yes sings in English and Spanish.

Most people Pipo's age are still trying to figure out what to do with their lives, what path to walk down. Meanwhile, Pipo is running with full force and focus towards music. He's performed in Los Angeles and has even taken his show as far as South America, taking the stage in Chile. Being a bilingual artist, Pipo has not only diverse in his sound but delivers relevant romanticism that comes with a catchy beat.

Pipo started releasing music the same year he could legally drive a car. In just four years his music has been heard on 700 college stations, Asian Television, Spotify, iTunes among other music platforms.

Most recently Pipo performed at the "30th Miss Asia International Beauty Pageant" where the song "Flawless" was featured. "I was pleasantly surprised and honored when I was asked to sing "Flawless" at the Miss Asia International Beauty Pageant, what a great experience! I wrote the song "Flawless" knowing that we all have flaws. But in life, that is alright because we are not perfect.

"Flawless" has been featured in January as one of the top songs in TAXI. TAXI is the world's leading independent A&R Company which represents independent Songwriters, Artists, and Composers and helps get their music to Record Labels, Film & TV, and many other outlets.

"Today I'm currently in the studio working to release several new songs for 2019, shooting new music videos, and scheduling future live performances", said Pipo, while talking about his music career. "Keep an eye out in early 2019 as I will gear up to release my brand new Flawless Music video and my singles "Too Fresh, She Bad, Strangers and Muevete," which will be available on iTunes and all platforms," he added. Pipo's musical talent is clearly evident with the song "Flawless" as he fluctuates effortlessly between singing in English and some Mandarin. The single is a testament to Pipo's craftsmanship and dedication to his art, and at such a young age, that's a serious statement!

Stay tuned for the release of "Flawless" February 28th, go to any of Pipo's social media - Youtube, Facebook, Instagram, and Twitter!
