

Pretam Gharat - A Cosmetic Dentist Delivering Life Changing Dentistry

London, Feb 7, 2019 (Issuewire.com) - [Dr. Pretam Gharat](#), is a Cosmetic and Implant dentist practicing in London. His philosophy is to create a centre for excellence, where only the very highest standards in modern dentistry are provided to his patients. He strives to provide the most advanced treatments, the most beautiful and natural smiles and with the most highly trained and caring team around him. His strives to deliver pain-free dentistry, in a comfortable, warm and friendly environment

and to build lifelong relationships and trust with patients.

Patient care is at the heart of his treatment plans, ensuring the highest level of satisfaction. Quoting one of his patient Katy, United Kingdom “Just finished my Invisalign treatment. I couldn’t be happier with the end result. He is so friendly that my fear of the dentist is no more. Couldn’t recommend more.”

[Pretam Gharat](#) is a diligent mentor and contributes regularly. Pretam Gharat was invited by Osteocare UK to serve as a mentor for the South East region. Pretam Gharat and his wife, [Neishaa Gharat](#) were listed among the [Top 100 Asian Power Couples in the UK](#). Pretam Gharat has featured on national television for the [Sensodyne brand in India](#) recommending viewers and patients suffering from sensitivity. Dr. Pretam Gharat was awarded a certificate from the Cabinet Minister (Hon. Speaker of Lok-Sabha Mr. Manohar Joshi) for active participation in Community Programs (Arogya Mela) organized by Municipal Corporation of Mumbai and Govt. of India.

Pretam Gharat aka @thestylishdentist is a cosmetic dentist, well-known for his sartorial dressing style. His appreciation for well-tailored, sleek clothing has increased over the years, with casual, street style looks that have taken over with clean shapes, elegant finishes and an effortless mix of styles. Pretam Gharat believes that the days of tailored wear being confined to formal affairs is over. Modern men all over the world have embraced elegant, well-fitted pieces and easily incorporated them into their wardrobe, creating inspiring looks that onlookers love. This sense of style makes him a sought after subject for photographers on London streets, especially during the London Fashion Week.

Dr. Pretam Gharat, B.D.S. M.Sc. D.P.H (Lon.), D.D.P.H (R.C.S., Lon.), M.J.D.F (R.C.S., Eng.), F.R.S.P.H.

His professional qualifications and affiliations include the following; In 2008, he moved to London to pursue his M.Sc. from one of the world’s top three ranked universities, University College London. He completed his M.Sc. in 2010 with his dissertation to study the effect of Social Support and Social Networks on Oral Health. He completed the licensing exams in London and has been a registered General Dental Practitioner in London, the UK since 2010. He then went on to finish the MJDF examinations in 2011 from the Royal College of Surgeons of England and is now the member of the Faculty of General Dental Practice (UK) and the Faculty of Dental Surgery, in addition to acquiring another Diploma in Dental Public Health (DDPH). In 2012, he was incorporated as a Fellow member of the Royal Society of Public Health. He is proficient in the use of Conscious Sedation for dental treatments and is certified for placement of Endosseous [Dental Implants](#), affiliated to the Royal College of Surgeons of Edinburgh. He has gained extensive knowledge in treating complex full mouth cases with hands-on smile design cases focussing on occlusion with soft and hard tissue augmentation. He completed his certifications and has been an Affiliated Licensed provider of multiple Removable Clear Aligner systems like Invisalign® and fixed orthodontic systems – Fastbraces®, QST, Inman Aligner, Delta Force and Cfast.
