

Rafael Sezan, MD, Internal Medicine Physician with South Nassau Communities Hospital and City Physic

Get to know Internal Medicine Physician Dr. Rafael Sezan, who serves the population of New York.

Islip, Feb 8, 2019 (IssueWire.com) - Dr. Sezan graduated with his Medical Degree from Samarkand State Medical Institute in Uzbekistan in 1989, giving him over three decades of experience in his field. After relocating to the United States, he completed his internship with the NYU Langone Medical Center. Furthering his training, he completed his residency with the Lutheran Medical Center.

Dr. Sezan currently practices with City Physicians, PC and South Nassau Communities Hospital, where he holds expertise in internal medicine. To stay up to date in his field, he remains a professional member of the American College of Physicians. Dr. Sezan attributes his professional success to his hard work and love of the job. When not working he enjoys hockey and spending time with his family.

Internal Medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Internists are skilled in the management of patients who have undifferentiated or multi-system disease processes. They care for hospitalized and ambulatory patients and may play a major role in education and research.
