

Rapper B. Lansky is Blending Flavors of Catchy Rap with an Edge of Funky Groove in ‘Hit the Lights’

B. Lansky is an upcoming rapper based out of Miami who is conceptualizing the dynamic verses of rap with a glorious background score in his song ‘Hit the Lights’.

Florida City, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - Hip-hop artists are evolving and adapting their artistic flair as musicians with time and audience demand's fluid course. **B. Lansky** is the newest kid on the block who is determined to bring back hip-hop as one of the leading and most loved genres across the globe. He recently dropped a single, '**Hit the Lights**' which is a zestful tribute to life's grandeur

and quirky essence. A visionary of true artistic tastes, **B. Lansky** arranges some of the grooviest sound distortions into a syncopated piece of worthy craft. A natural lyricist with insightful intellect, **B. Lansky** has put his best foot forward and created a musical gala of sorts with 'Hit the Lights'.

One of the many notes of accomplishment for a rapper is to make the audience relate to their contemporary poetry. **B. Lansky** too has been inspiring his audience with his lyrical glory of unparalleled conviction and rich knowledge about his musical ventures. With spontaneous rapping skills, his music is the heart and soul of every party out there. '[Hit the Lights](#)' can be attributed the next big party anthem, all ready to compel the audience to shake a leg to its incredible sound arrangement.

Although from New York, **B. Lansky** currently bases his work out of Miami. Influenced by the funky laterals of pop-culture and more, he has delivered many other hits like 'Money Makers' and 'It's My Time' prior to the increasingly popular '**Hit the Lights**'. To be a part of what can be called a cultural resurgence of hip-hop and rap, follow him on Spotify right now!
